**SECTION 1.**

An Act creating the Brunswick-Glynn County Joint Water and Sewer Commission, approved April 19, 2006 (Ga. L. 2006, p. 3661), is amended by revising Section 2 as follows:

**"SECTION 2.**

(a) There is hereby created a body corporate and politic, to be known as the Brunswick-Glynn County Joint Water and Sewer Commission, and by that name, style, and title said body may contract and be contracted with, sue and be sued, implead and be impleaded, complain and defend in all courts of law and equity, except that the commission and its officers, agents, and employees when in the performance of their public duties or work of the commission, shall in no event be liable for any torts or negligent acts and shall have immunity therefrom, nor shall the commission be vicariously liable for any torts committed by its officers, agents, and employees. The commission shall have perpetual existence, and shall be deemed a governmental body within the meaning of the Georgia Revenue Bond Law, Article 3 of Chapter 82 of Title 36 of the Official Code of Georgia Annotated, specifically under subparagraph (2)(C) of Code Section 36-82-61.

(b)(1) No person, firm, or corporation having a claim for money damages against the commission on account of injuries to any person or property shall bring any action

25 against the commission for such injuries without first giving notice within six months of  
26 the happening of the event upon which a claim is predicated.

27 (2) The person, firm, or corporation shall present the claim in writing to the governing  
28 authority of the commission for adjustment, stating the time, place, and extent of the  
29 injury, as nearly as practicable, and the negligence which caused the injury. No action

31 has first been presented to the governing authority of the commission for adjustment.

32 (3) The commission shall have 30 days from the presentation of the claim to consider  
33 and act upon the claim. Action by the commission, unless it results in the settlement  
34 thereof, shall in no sense be a bar to an action therefor in the courts.

35 (4) The running of the statute of limitations shall be suspended during the time that the  
36 demand for payment is pending before the commission without action on the part of the  
37 commission."
